

Liege Belgian Waffle Bulk Packs

Our authentic Liege Belgian Waffle Bulk Pack waffles are tailor made for retail bakery departments (both in display cases and in containers), prepared foods, meal kits, and all kinds of food service. Perfect, pre-baked, fool proof waffles - quick to warm and serve - every time, and without the labor, equipment, waste, time and hassles involved in making Belgian waffles from dough or batter. For folks who like toppings, our dough-based waffles also support all kinds of toppings better than batter-based waffles which tend to absorb and get soggy underneath them. Made from Liege Belgian waffle dough with all-natural ingredients (no artificial flavors, colors, additives, preservatives or ingredients of any kind), non-GMO flour, rBST free milk and butter, whole Belgian pearl sugars, pure maple syrup (Maple) and Belgian dark chocolate (Chocolate Chip). Available in multiple flavors and sizes so you and your customers can enjoy not only the highest quality but also the greatest variety in the food industry of tailor made authentic Liege Belgian waffles to fit your needs. Our waffles not only taste better, they're much more profitable to sell and serve the Mountain Waffle Bulk Pack way!

- Available Pre-Baked in both Medium (60g/2.12oz) and Large (90g/3.175oz) sizes and in Butter, Belgian Dark Chocolate Chip and Pure Maple Syrup & Butter flavors. Also available are Small Butter (45g/1.59oz) and Mini Liege Style (35g/1.24oz).
- No prep and faster serve times (30 seconds or less), perfect portion and quality control, and eliminates waffle making labor, equipment, waste, time and hassles.
- 114 Mini, 50 Small, 40 Medium and 30 Large waffles per case respectively, allowing customers to quickly go through a case soon after opening it. 180 (15 x 12) cases per pallet for Small, Medium and Large and 110 (11 x 10) cases per pallet for Minis.
 - 18 months shelf life kept frozen from date of production.
 - 10 days shelf life at ambient temperature left out on their own (e.g., bakery display case).
 - 2 weeks shelf life when defrosted to ambient temperature inside a sealed plastic container (e.g., bakery department or food service storage item).
